## **APPLICATION FOR ADMISSION INTO REMEDIAL, NATIONAL DIPLOMA (ND) AND HIGHER NATIONAL DIPLOMA (HND) PROGRAMMES FOR THE 2022/2023 ACADEMIC SESSION**

Applications are invited from suitably qualified candidates for admission into the under-listed programmes run by the Federal College of Animal Health and Production Technology, Vom for the 2022/2023 academic session:

- |   |         |   |
|---|---------|---|
| 1. Remedial Programme   | 1 year  |   |
| 2. National Diploma in Animal Health & Production Technology  | 2 years |   |
| 3. National Diploma in Agricultural Technology  | 2 years |   |
| 4. National Diploma in Fisheries Technology   | 2 years |   |
| 5. National Diploma in Science Laboratory Technology  | 2 years |   |
| 6. National Diploma in Veterinary Laboratory Technology   | 2 years |   |
| 7. National Diploma in Computer Science   | 2 years |   |
| 8. National Diploma in Environmental Health Technology  | 2 years |   |
| 9. National Diploma in Environmental Science & Management Technology  | 2 years | 2 |
| 10. National Diploma in Public Health Technology  | 2 years |   |
| 11. National Diploma in Epidemiology & Disease Control Technology   | 2 years |   |
| 12. National Diploma in Home and Rural Economics  | 2 years |   |
| 13. HND in Animal Health Technology   | 2 years |   |
| 14. HND in Animal Production Technology   | 2 years |   |
| 15. HND in Agricultural Extension & Management  | 2 years |   |
| 16. HND in Fisheries Technology   | 2 years |   |
| 17. HND in Pest Management Technology   | 2 years |   |
| 18. HND in Agribusiness Management  | 2 years |   |
| 19. HND in Computer Science   | 2 years |   |
| 20. HND in Environmental Health Technology  | 2 years |   |
| 21. HND in Veterinary Laboratory Technology with options in Pathology, Anaesthesiology, Diagnostic Imaging and Microbiology | 2 years |   |
| 22. HND in Science Laboratory Technology with options in Microbiology, Environmental Biology & Chemistry/Biochemistry       | 2 years |   |

### **A. ADMISSION REQUIREMENTS FOR ALL PROGRAMMES**

#### **1. Remedial Programme**

Evidence of attempting the Senior Secondary School Examination (SSCE)-GCE/WASSCE/NECO/NABTEB or its equivalent in science subjects.

2. **National Diploma in Animal Health & Production Technology**  
Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. Credit passes in English Language, Mathematics, Biology/Agricultural Science and two (2) subjects from the following: Chemistry, Physics, Geography, Economic/Commerce, Food and Nutrition and Technical Drawing. At least a pass in Chemistry and Physics is compulsory.
3. **National Diploma in Agricultural Technology**  
Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. Credit passes in English Language, Mathematics, Biology/Agricultural Science and two (2) subjects from the following: Chemistry, Physics, Geography, Economic/Commerce, Food and Nutrition and Technical Drawing. At least a pass in Chemistry and Physics is compulsory.
4. **National Diploma in Fisheries Technology**  
Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. Credit passes in English Language, Mathematics, Biology/Agricultural Science and two (2) subjects from the following: Chemistry, Physics, Fisheries, Geography, Economic/Commerce, Food and Nutrition and Technical Drawing. At least a pass in Chemistry and Physics is compulsory.
5. **National Diploma in Science Laboratory Technology**  
Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include Mathematics, English Language and two (2) from Physics, Chemistry and Biology/Agricultural Science/Health Science. Any one subject from Technical Drawing, Metal or Wood Work, Basic Electricity, Geography, Further Mathematics and relevant NTC/NBC and NVC trades. At least a pass in each of the three (3) basic sciences: Biology, Chemistry and Physics are compulsory.
6. **National Diploma in Veterinary Laboratory Technology**  
Five credit passes in GCE/WASSCE /NECO/NABTEB at no more than two sittings. The five subjects must include Mathematics, English language and three (3) other subjects which include; Physics, Chemistry, and Biology/Health Science/Agricultural Science/Animal Husbandry.
7. **National Diploma in Computer Science**
  - a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language, Mathematics, Physics and two (2) other subjects chosen from the following: Economics/Geography, Further Mathematics/Chemistry, Biology/Agricultural Science, Typewriting/ICT/Computer Studies, relevant NTC/NBC and NVC trades.
  - b) A pass in the Computer Foundation Examination (CFE) of the Computer Professional Registration Council of Nigeria. Also, the candidate must be qualified as in ( a ) above.
8. **National Diploma in Environmental Health Technology**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language, Mathematics, Chemistry and Biology/Agricultural Science/Health Science, and anyone (1) other subject from Physics, Technical Drawing, Geography, Food and Nutrition/Home Management and Economics/Commerce.
  - b) Ordinary level entry requirement as in 'a' above with Environmental Health Assistant Certificate.
  - c) Applicants with ordinary level entry requirement as in 'a' above with Environmental Health Technician Certificate will be admitted directly to ND II.
9. **National Diploma in Environmental Health Management**  
Five (5) credit passes in GCE/WASSCE /NECO/NABTEB at not more than two sittings. The five subjects must include English Language, Mathematics, Chemistry, Physics and Biology or Health Science.
10. **National Diploma in Public Health Technology**  
Five (5) credit passes in GCE/WASSCE /NECO/NABTEB at not more than two sittings. The five subjects must include English Language, Mathematics, Chemistry, Physics and Biology or Health Science.
11. **National Diploma in Epidemiology and Disease Control**  
Five (5) credit passes in GCE/WASSCE /NECO/NABTEB at not more than two sittings. The five subjects must include English Language, Mathematics, Chemistry, Physics and Biology or Health Science.
12. **National Diploma in Home and Rural Economics**  
Five (5) credit passes in GCE/WASSCE /NECO/NABTEB at not more than two sittings. The five subjects must include English Language, Mathematics, Home Economics/Food and Nutrition, Agricultural Science/Biology, and one other subject from: Government, Business Methods, Economics/Commerce, Religious Knowledge, Any Nigerian Language, Geography, Bookkeeping and Principles of Accounts, History, Clothing and Textile. Home Management, Computer Studies, Leather Goods, Leather Works, Jewellery, Garment Making, Computer Studies, Textiles, Ceramics, Tourism, Typewriting, 35 WPM , Shorthand, 80 WPM etc.

**NB:**

***All National Diploma Admissions are through JAMB and applicants who possess the basic ordinary level entry requirement and have scored the minimum cut off mark in 2022 UTME regardless of whether they chose the College or not can apply.***

13. **Higher National Diploma in Animal Health Technology**
- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. Credit passes in English Language, Mathematics, Biology/Agricultural Science, Chemistry and Physics.
  - b) National Diploma in Animal Health and Production Technology with a minimum of lower credit pass.
  - c) A minimum of one year post National Diploma cognate experience.
  - d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.

- e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
  - f) National Diploma JAMB Admission letter.
14. **Higher National Diploma in Animal Production Technology**
- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. Credit passes in English Language, Mathematics, Biology/Agricultural Science, Chemistry and Physics.
  - a) National Diploma with a minimum of lower credit in Agricultural Technology programmes, Animal Health and Production Technology, Wildlife and Eco-Tourism Management and Innovation Agriculture.
  - b) A minimum of one year post National Diploma cognate experience.
  - c) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
  - d) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
  - e) National Diploma JAMB Admission letter.
15. **Higher National Diploma in Agricultural Extension and Management**
- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language and Mathematics and other ordinary level credits relevant to the ND programme the applicant possesses.
  - b) National Diploma with a minimum of lower credit in any Agricultural programme (E.g. ND Agricultural Technology, Animal Health and Production Technology, Fisheries, Horticultural Technology and Wild life and Ecotourism Management etc).
  - c) A minimum of one year post National Diploma cognate experience.
  - d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
  - e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
  - f) National Diploma JAMB Admission letter.
16. **Higher National Diploma in Fisheries Technology**
- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. Credit passes in English Language, Mathematics, Biology/Agricultural Science, Chemistry and Physics.
  - b) National Diploma with a minimum of lower credit in Fisheries Technology.
  - c) A minimum of one year post National Diploma cognate experience.
  - d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
  - e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
  - f) National Diploma JAMB Admission letter.
17. **Higher National Diploma in Pest Management Technology**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language, Mathematics, Chemistry, Physics and Biology/Agricultural Science/Health Science
- b) National Diploma in Agricultural Technology, Science Laboratory Technology or National Innovation Diploma in Innovation Agriculture with a minimum of lower credit.
- c) A minimum of one year post National Diploma cognate experience.
- d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
- e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
- f) National Diploma JAMB Admission letter.

18. **Higher National Diploma in Agribusiness Management**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language and Mathematics and other ordinary level credits relevant to the ND programme the applicant possesses.
- b) National Diploma with a minimum of lower credit in any Agricultural programme (E.g. ND Agricultural Technology, Animal Health and Production Technology, Fisheries, Horticultural Technology, Wild life and Ecotourism Management etc).
- c) A minimum of one year post National Diploma cognate experience.
- d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
- e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
- f) National Diploma JAMB Admission letter.

19. **Higher National Diploma in Computer Science**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language, Mathematics, Physics and two (2) other subjects chosen from the following: Economics/Geography, Further Mathematics/Chemistry, Biology/Agricultural Science, Typewriting/ICT/Computer Studies, relevant NTC/NBC and NVC trades
- b) National Diploma in Computer Science or National Innovation Diploma in Networking & System Security or National Innovation Diploma in Computer Software Engineering with a minimum of lower credit.
- c) A minimum of one year post National Diploma cognate experience.
- d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
- e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
- f) National Diploma JAMB Admission letter.

20. **Higher National Diploma in Environmental Health Technology**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language, Mathematics, Chemistry and Biology/Agricultural Science/Health Science, and Physics
- b) National Diploma in Environmental Health Technology

- c) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
- d) National Diploma JAMB Admission letter.

21. **Higher National Diploma in Veterinary Laboratory Technology with options in Pathology, Anaesthesiology, Diagnostic Imaging and Microbiology**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include English Language, Mathematics, Chemistry, Physics and Biology/Agricultural Science/Health Science.
- b) National Diploma in Veterinary Laboratory Technology, Science Laboratory Technology or Animal Health & Production Technology with a minimum of lower credit.
- c) A minimum of one year post National Diploma cognate experience.
- d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
- e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
- f) National Diploma JAMB Admission letter.

22. **Higher National Diploma in Science Laboratory Technology with options in Microbiology, Environmental Biology and Chemistry/Biochemistry**

- a) Five (5) Credit level passes in GCE/WASSCE /NECO/NABTEB or its equivalent in not more than two (2) sittings. The five (5) subjects must include Mathematics, English Language and two (2) from Physics, Chemistry and Biology/Agricultural Science/Health Science. Any one other subject from Technical Drawing, Metal or Wood Work, Basic Electricity, Geography, Further Mathematics and relevant NTC/NBC and NVC trades. At least a pass in each of the three (3) basic sciences: Biology, Chemistry and Physics is compulsory.
- b) National Diploma in Science Laboratory Technology with a minimum of lower credit.
- c) A minimum of one year post National Diploma cognate experience.
- d) In exceptional cases, National Diploma certificate holders with a pass but with two (2) or more years cognate experience may be considered.
- e) The candidate must be from National Board for Technical Education (NBTE) accredited programme.
- f) National Diploma JAMB Admission letter.

**NB:**

*It is mandatory for HND applicants whose ND is not from the College to make arrangement with their previous institutions to forward a hard copy of their ND Transcript to **The Registrar, Federal College of Animal Health and Production Technology (FCAH&PT), P.M.B. 05, Vom, Jos, Plateau State, Nigeria**. No candidate will be considered for admission without a valid transcript.*

**B. METHOD OF APPLICATION**

Interested applicants should visit the College portal “**portal.fcahptvom.edu.ng**” from **Monday 30<sup>th</sup> May, 2022** to fill the online application form after the payment of the following charges:

**ONLINE APPLICATION FORM**

- i. ND programme: ₦3,000.00 only.
- ii. HND programme: ₦6,000.00 only.

**SCREENING CHARGES**

- i. ND programme: ₦1, 000.00 only
- ii. HND programme: ₦2, 000.00 only

**C. CLOSING DATE FOR COMPLETION AND SUBMISSION OF ONLINE APPLICATION FORM**

Candidates are to complete and submit the application form online and printout an acknowledgment slip on or before **Friday 26<sup>th</sup> August, 2022**.

**D. DATE FOR SCREENING OF CANDIDATES FOR ADMISSION**

Screening of candidates will hold on **Saturday 10<sup>th</sup> September, 2022** by 8am in the College premises.

**For further enquiries** please call any of these numbers: 08029136618 or 08032060900 or visit the College at Vom.

Signed.

**Mr. Aba Duniya Filibus**, MNIM, ACMA  
Admission Officer
